

Old Business

- Ice Skating Party was again a success on the 16th. This year hot dogs and coco were served up on top of the hill with the skaters. With the weather being a little warmer then in past years the volleyball court could not be used with all the mud. We have purchased a small fire pit for use the party. We have also donated unused perishable items not used at the skating party to the Boy Scouts for the use at their coney night.
- Chili Cook-off plans going on schedule. See Events to come below.
