MARK A. PTASZEK
UNDERSHERIFF

September 6, 2009

Jack Summers
PO Box 171
Manchester MI 48158

Dear Mr. Summers:

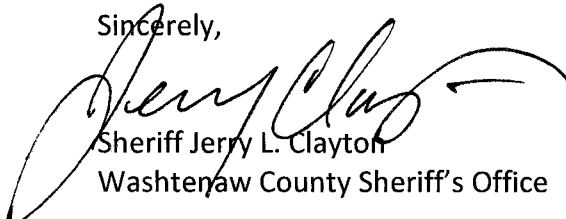

The Washtenaw County Sheriff's Office would like to recognize and express its appreciation for all the support that the Manchester Men's Club has provided to the community of Manchester and to the WCSO. It is organizations like the Manchester Men's Club that help to build a strong, sustainable community and improve the quality of life for its members.

The activities of the Manchester's Men's Club benefit the community of Manchester in many ways. The Manchester Men's Club sponsors the annual Easter Egg Hunt, the Manchester Fireworks, and skating parties for Kids in the winter. Your organization paid for the pavilion at Char-Bro Park, purchased playground equipment for Village parks, and outfitted the weight room at the middle school.

The Manchester Men's Club also partners with the Washtenaw County Sheriff's Office to make the community of Manchester a safer and better place to live. The Men's Club and the WCSO help register children's bicycles in the Village. The Men's Club purchased a mountain bike for Sheriff's Station #4 in 2006 and recently paid for Deputy Edward Grim to attend Mountain Bike School at the Oakland County Police Academy.

The Washtenaw County Sheriff's Office is committed to partnering with community members and organizations in order to provide quality service and public safety. In these challenging economic times, the support of the public is particularly necessary and appreciated. The WCSO is proud to be able to collaborate with the Manchester's Men's Club on these programs that benefit the residents of the County and Village of Manchester. Again thank you for your efforts and assistance.

Sincerely,

Sheriff Jerry L. Clayton
Washtenaw County Sheriff's Office
